President's Message

Welcome to Spring! I hope you are all doing well. This is my first letter to you as your new president. Since our last Newsletter, Sunoco is no longer a corporation on its own, but it will never disappear for any of us. We all have dealt with this in our own way. Many of our friends who remained after we left are now also gone, or soon to go—and we welcome them to DVSA's roster. Some friends still remain there, and our best wishes to all of them. I am hoping that each of you feels, as I do, that the people with whom we worked remain important to us.

So, what can DVSA do for you? Actually, that is something that we want to know. Please respond to our survey. Information about the survey is in an article in this newsletter.

We believe DVSA can keep you in touch with your friends, and it can provide a forum (perhaps now, the only one) to which you can still give your voice and express your concerns. We do not know Energy Transfer Partners ("ETP") well. What does that mean for DVSA? The first effect you will see is that we will not seek a "Sunoco speaker" for our luncheons, unless one is obvious and available. We believe that most of you would rather spend the time at lunch seeing and speaking with old friends. But we know there are exceptions, and topics about which you want to hear.

(Continued on page 2)

Spring Luncheon

Date: May 7th, 2013 - Tuesday

President's Message (continued from pg. 1)

Exciting news.

For two consecutive years, we have had wonderful Sun Alumni events at "the old Sunbrook," now the Villanova Conference Center. We're doing it again, on Friday, October 11, at "Sunbrook," in the evening. PLEASE SAVE THE DATE! Same great party, same great place. Please mark your calendars—details to follow. We have decided that this Fall party, which we hope will continue, simply replaces our September luncheon, so please mark your calendars for October 11 instead of a date in September.

Finally, if you log onto our website www.DVSA.co, you can now sign up and pay for events online, through PayPal. Both the online sign-up and online payment ability are new, and hopefully make it easier for you our members. Payment by check is still an option, even if you register online, but we are hoping you will consider migrating to online registration and payment.

Best regards to all of you,

Walt Schanbacher

2013 DVSA President

DVSA.co Update

Save time and money by registering online for the May luncheon and paying using PayPal. This method of PayPal payment allows you to use your credit card or a PayPal account. The online registration screen allows you to register yourself or yourself with one guest and optionally pay membership dues and donate to the Food Cupboard. You can still pay by check and either register online or with the reservation form, if you prefer.

To find the screen, go to www.dvsa.co, login with your email address and password, click on EVENTS, Members Only, and Online Events. Once you finish registering, you will receive a confirmation email.

If you cannot attend the luncheon, and want to pay dues, you can pay online via PayPal by clicking on JOIN US and Online Membership Entry.

If you have any questions, email DVSAhelpline@gmail.com.

Food Cupboard

The Food Cupboard continues to need member donations, and also we need nominations of organizations that are deserving of our support.

For new members, the Food Cupboard program is our way of helping to feed those in need. We have been supporting local food and meal programs for the past 20 years, and continue to do so. We donate the funds entirely to the organization, so unlike other donations, we have no overhead, and donate every dollar to the programs.

You may contribute to the Food Cupboard using the online system, or the attached luncheon registration form.

Sunoco Reunion at Sunbrook - 2013

Last fall, an Alumni Reunion, organized by DVSA, was held at Sunbrook (now the Villanova Conference Center). The evening event drew over 105 attendees.

As Walt mentioned in the President's Letter we are planning on making this an annual event. For this coming fall of 2013 the date is set for:

October 11, 2013. This is a Friday, and again is set to be an early evening event.

So put that in your calendar, and we do hope for a good turnout.

These events allow both our retired members, and those that are still working to get together for some social networking. With many people working at other firms after Sunoco, or having other daytime commitments, it enables us to reach a new audience of alumni. As always, both members, and non-members who are Sunoco alumni are invited. We have found that more than half of all the attendees to the evening events are folks who are not available for our daytime luncheon events, so it gives opportunities for everyone to see old friends and associates.

Suncap Changes

For those of you who have an account balance in Suncap (Sun's 401k) your balance will be moved to a new record-keeper (the Principal Financial Group) on July 1. This is a change from Vanguard. Along with this change in record-keeper, there will be a new investment line-up offered. If you would like to learn more about this come to the May 7 DVSA luncheon. This is an advance opportunity for you to learn about this change before a mid-May written communication.

It will also be a good chance to chat with some of the folks from the finance groups who have some good insights into the impact this might potentially have on those who are still engaged with Suncap, even as alumni or retirees of Sunoco.

Member Survey

Friends, we need your help--and your input. We will shortly send you an email containing a link to a very brief DVSA survey. We want to know what you think about our social events and other ways we can help you connect to your friends, former colleagues, and Sunoco ties. We will greatly appreciate your completion of the survey so we can make the most of our DVSA connection. You can connect to the survey at www.DVSA.co using the "Survey" tab in the left navigation panel – or- you can do directly to the web site at Survey Monkey by cutting and pasting this link at: <http://www.surveymonkey.com/s/TBGGJMX>

Pat Renzulli

www.DVSA.co Login Instructions:

The first time you want to login to any of the secure areas of our site, you must enter your email address, and then select "forgot password" just below the password fill in block. You will go to an authentication screen and re-enter your email address and the code on the screen. You will then receive an e-mail with instructions on how to setup your private password. Remember your password and next time you will just go right in with no problems.

**Delaware Valley Sun Alumni
Spring Luncheon - 2013**
