President's Message

Hello fellow DVSA members. Summer is wrapping up and we are headed into Fall. There have been several developments with COVID-19 since our last communication to you. Because of the Delta variant, and the rise in infection rates, and the demographics of our membership, the board has decided to cancel the Fall in person luncheon. We do this with regrets, but also with the safety of our members in mind.

The DVSA board is hopeful that we will be meeting again in person later this year. We are holding onto our December reservations at this time, and if prudent, we will try again in that timeframe to have a luncheon.

On a positive note, we are planning a virtual meeting, with a presentation by Aetna about employee medical benefits, very similar to what we did last Fall. We will be sending out details soon on how to connect. Please hold the date of September 30, 2021 on your calendar if you want to listen in on this important update.

As always, we will also be asking for donations to the food cupboard. This is still an important part of our mission, and the need is still great. Your contributions do make a difference in that we support neighborhood volunteer lead organizations where there is a direct benefit to recipients and our collective gift is noticed and appreciated. We welcome nominations for donations from our members and all such nominations are considered.

Please send suggestions for additional support we can provide to you as a member, and please be safe and healthy.

FALL Luncheon – CANCELLED

Virtual Aetna meeting added

**Virtual Meeting: Hold the date
Sept 30, 2021 time 1 pm – 2 pm**

Aetna will plan to present an update on the 2022 medical benefits plan for former Sunoco employees who are eligible for the plan.

This will be an online/audio call by Aetna representative for Sunoco/ETP.

Details on connection information will be on the DVSA website by mid September, and we will send an email blast to all members as soon as we get the information from Aetna.

We regret having to cancel the September luncheon, and we sincerely hope things will allow us to have a December luncheon. We will follow CDC and Pennsylvania guidelines for indoor events that are in effect at the time, and if the board feels the safety of our members can be reasonably assured.

We do look forward to the day when we can see each other face to face and appreciate what we all mean to each other. Stay strong, stay healthy, and if you need support, know that we are here for you.

Kindest Regards,
DVSA Board of Directors
