President's Message

The summer is going fast and soon it will be September, time for our Fall luncheon. This year the luncheon will be on September 10th. Aetna representatives will be at the luncheon to review any new changes to our Insurance.

Our May Luncheon had 77 people attend which is good for May. Dave Kavanagh the founder and President of the Sun Ship Historical Society gave us fascinating stories and statistics of Sun ship 1916-1982. We hope to have Dave back again sometime for the 2nd half of his presentation.

Those explosions at the Phila. Refinery were scary. I'm so sorry that the possible refinery shutdown will effect so many jobs. Phila. Refinery has such a storied history. It was established in 1866 after the civil war at Point Breeze by Atlantic Petroleum. Then Gulf Oil began its Refinery in 1920 at Girard Point. The refineries were then combined in 1995 by Sunoco.

We are happy to say that our organization is still strong and provides it's members with a great way to stay in touch with Sunoco friends and our Sunoco history. Let's keep it going, you can even meet new Sunoco friends. See you at the luncheon.

Donations - As always we ask you, our members, to submit food pantries for us to consider donating to. Our food cupboard recommendation form is at the end of this newsletter.
