President's Message

Hello fellow DVSA members. Spring is here and we are preparing for another luncheon event on May 8th. This year we are thankful for renewed support from Sunoco and Sunoco Logistics. This will enable us to offer our luncheon program at a reduced cost. We hope this will inspire you to come join us for our luncheon event.

We had a good turnout at the December event. We got an update on all the happenings at Sunoco with the Logistics group business, and some insight into what plans are shaping up to continue to operate the business. Sunoco Logistics had completed its financial integration with ETP earlier in 2018, and has several major projects for growth underway. Sunoco LP (the Sunoco retail business) now supplies 9200 sites, and is supplying over 8 billion gallons of fuel per year (according to their website info).

At the same time, many of the employees at the Philadelphia area are wrapping up their careers, as many of the staff positions have moved to Texas. This has been ongoing for the past few years, and impacts our group. We ask each of you to reach out to a former co-worker and encourage them to join our group, and keep the spirit of friendship and comradery alive.
